

IAOMS Foundation Report on Latin America

Fourth IAOMS Educational Course in Paraguay

May 2010

The fourth course for the IAOMS Continuing Education program in Paraguay took place on April 22-25, 2010 in Encarnacion, Paraguay. The featured speakers were: Prof. Dra. Edela Puricelli (Brazil), who spoke on the topic of pre-prosthetic surgery, and Rafael Martin Granizo (Spain), who spoke on the topic of Implants. The course attracted more than 100

The Organizing Committee, Itapua.

attendees, of whom 85% had previously attended the three earlier IAOMS Continuing Education programs. On a follow-up survey of attendees, more than 85% rated this course's speakers as being of the highest quality.

The fifth course takes place on August 26-28, 2010 on the topics of

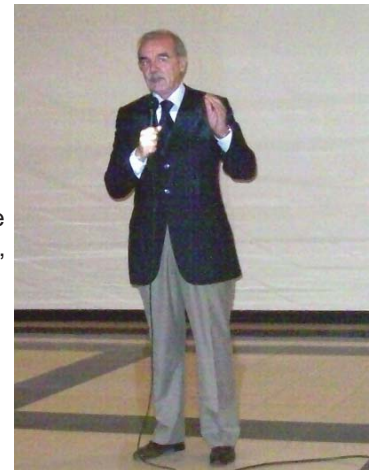

Organizing committee for the SPCBMF

Temporomandibular Joint, presented by Florencio Moje (Spain) and Alveolar Cleft Lip and Palate Facial Deformities, presented by Rafael Martin Granizo (Spain).

On October 21-23, the sixth course takes place with the topics presented by Rui Fernandez (USA) and Julio Acero (Spain): "Orthognathic and Reconstructive Surgery"; and by Cesar Guerrero (Venezuela): "Distraction Osteogenesis."

- The entire course is free for students.
- All modules are in Spanish language, with some exceptions.
- The sessions are 4 hours in the morning and 4 hours in the afternoon, with corresponding recesses, with some simple refreshments (tea, coffee, cookies, soft drinks).
- Students with 80% attendance in the module are entitled to a certificate of attendance.
- Any evaluations will be discussed with the local organizers of the course.
