Trainees who register through end of 2010 enjoy free access to new IAOMS/ProjecTrain e-learning lectures

OMS Trainees Pay \$0 for IAOMS Membership Dues in 2011!

The IAOMS Council recently wholeheartedly endorsed an initiative by the Board of Directors and Executive Committee to provide IAOMS membership at no cost to all OMS Trainees worldwide. To qualify, each Trainee will need to complete the existing IAOMS membership application for Trainees, which asks for the name of the Trainee's program and location, training program director's name and email address, and program completion date. This information is

then verified by the IAOMS Membership Associate, Antoinette Pearson, with the training program director with a final approval by IAOMS Executive Director John F. Helfrick. If a trainee wishes to receive the *International Journal of Oral and Maxillofacial Surgery* (IJOMS), he/she can opt to pay either \$20 for online access or \$40 for online access and printed copies sent by post.

"The leadership of IAOMS is very enthusiastic about this exciting new development for the association," said Larry W. Nissen, IAOMS President. "By welcoming all OMS trainees worldwide to join the IAOMS at no cost to them, the IAOMS will infuse the association with new ideas and leadership that will carry the organization through the next 50 years and beyond."

Trainees can pay \$20 USD per year for online access to the IJOMS or \$40 USD per year for online access and delivery of printed copies.

weblectures from ProjecTrain via IAOMS Direct, OMS Trainees can register now on the IAOMS website. Once their registrations are approved using the same approval process described above, they will have complete access to all of the ProjecTrain weblectures organized by the IAOMS "Advancing the OMS Specialty" contest winner Satheesh Prabu.

Some of the topics of the ProjecTrain weblectures and their presenters include:

- Diseases of the salivary glands; A.I. Edwards
- Lip reconstruction; Andrew Brown
- Surgical management of vascular malformations; Sanjiv Nair
- Maxillary reconstruction; Andrew Brown

Trainees who register with the IAOMS through the end of 2010 and are approved will automatically become members of the IAOMS on January 1, 2011 and will not have to go through the membership application process again.

The mission of the International Association of Oral and Maxillofacial Surgeons is to elevate the quality of healthcare worldwide through the advancement of the art and science of oral and maxillofacial Surgery. For more information, go to: www.iaoms.org and www.iaomsfoundation.org.
