IAOMS Launches the **GLOBAL IMPACT** Campaign

In Rio de Janeiro at the ICOMS, Dr. Larry Nissen, IAOMS Foundation Chair, announced the launch of the Global Impact Campaign, an international project to unify all stakeholders in the OMFS field.

The campaign seeks to raise \$2.5 - \$3 million to fund new education, research, and training opportunities around the world.

Please reach out to Dan Nielson at dnielson@iaoms.org to get involved.

Special thanks to KLS Martin for their ongoing support of the Fellowship program:

A very special thank you to all of our presenters & speakers throughout ICOMS. Your hard work and dedication to your sessions allows us to create a diverse, informative and exciting scientific program.

We look forward to seeing you in 2021 in Glasgow!

Dvorak Elected Chair

We are proud to share the achievement of our IAOMS Executive Director, Mitchell Dvorak, on becoming Chair of Association Forum.

Dvorak's involvement as a leader in Association Forum raises the visibility of IAOMS and the specialty in the larger association community in the US and globally.

Association Forum is governed by a 13-member board of directors that includes association professionals from Chicago associations, as well as supplier partners. Their mission is to advance the professional practice of association management.

With nearly 4,000 members, Association Forum represents more than 44,000 association professionals from nearly 1,600 Chicago organizations.
