Introducing our 2019-2020 Visiting Scholar Recipients

Congratulations to this year's Visiting Scholar recipients. The Visiting Scholars program was a new initiative of the Foundation, launched in 2018 in response to the demand for additional training opportunities completed in an abbreviated format. It is an opportunity for developing surgeons of IAOMS to

travel to other countries and visit prestigious OMS Departments to enhance their postgraduate education. The Scholarship recipients select from prominent training centers where they have the opportunity to observe and study with top surgeons and professors.

Dr. Ozge Doganay (Turkey)

Visiting:

University of Illinois, College of Dentistry, Oral & Maxillofacial Surgery Chicago, IL
 Prof. Michael Miloro
and
 Northwestern Memorial Hospital, Chicago, IL Prof. Alexis B. Olsson

Dr. Olanrewaju Adediran (Nigeria)

Visiting:

Department of Oral and Maxillofacial Surgery, Vienna General Hospital
 Vienna, Austria
 Prof. Emeka Nkenke

These programs provide an unmatched opportunity not just for the recipients, but also for their institutions, patients, and communities where they will return to serve. The IAOMS Foundation thanks AAOMS and the OMS Foundation for sponsoring the first Visiting Scholars.

Announcing the First-Ever ICOMS Scholarship Recipients

The IAOMS Foundation is proud to partner with national OMS associations around the world to fund important education and training activities. For the first time in 2018, the Foundation partnered with the American Association of Oral and Maxillofacial Surgeons (AAOMS) and its partner, the OMS Foundation, and the Canadian Association of Oral and Maxillofacial Surgeons (CAOMS) to provide registration, travel, and accommodations scholarships to the ICOMS!

We are pleased to announce the following recipients for this year's program:

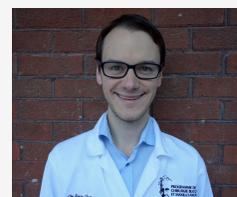

Matthew Green
 Nassau University
 East Meadow, NY

Supported by AAOMS

Rian Cho
 University of Tennessee
 Knoxville, TN

Supported by AAOMS

Simon Jean
 Laval University

DONATE NOW

"There are many surgeons in the developing countries who need help to gain the skills they need. The IAOMS Foundation has the power to educate, and to remind us of the importance of sharing knowledge and helping our communities.

A contribution can help surgeons to gain surgical skills and knowledge, which will help them save lives."
