

AGREEMENT OF CONFIDENTIALITY

I understand that as an IAOMS Foundation Fellowship applicant and possible Fellowship recipient, I have fiduciary duties to IAOMS and its Foundation. I further understand that during the course of the fellowship application and selection process, I may have access to confidential and proprietary information.

I hereby affirm that I will treat such information, including all information distributed or discussed as confidential and proprietary. I will not disclose such information (i.e., Fellowship recipients' final selection, names, etc.) to others (verbally, written or on any existing social media channels, professional and private), except when authorized by IAOMS. I further affirm that I will not use such information in any other manner that would be detrimental to the interests of IAOMS. Failure to comply with these fiduciary duties will result in termination of the IAOMS Foundation Fellowship Program agreement.

This affirmation of fiduciary duty and responsibility to respect confidentiality must be signed by all interested Fellowship applicants in order to complete the application process. Failure to sign this document will result in an incomplete application.
