

Required Credentialing Graduated Trainee to Fellow

As part of the credentialing process for a new Graduated Trainee to Fellow, we require verification of your professional status as an oral and maxillofacial surgeon.

For example:

- Proof of registration from the official board in your country.
- Certification of your oral and maxillofacial completion/graduation.
- Proof of membership with an affiliated national or regional oral and maxillofacial association.

Please scan and email credentials to Membership Manager, Katie Cairns, at kcairns@iaoms.org to complete the membership application process.
